Mr. Bordelon,

The disqualification plan for the Whatleys should not present any problems that will be even close to discounting the advantages to the Department. The proposed arrangement and Disqualification is clearly an advantage for DOTD under the current conditions.

Sincerely,
dkn

Mr. North

I am working on the disqualification plan request for William and Lori Whatley.

One of the requirements is that the agency confirm that the disqualification plan will not hinder the efficient operations of the agency. Can you just confirm that the proposed plan does not place any further hindrance on the department's operations?

Thanks,

Good morning David,

So he could already be put in the new position as long as we are following the plan before it is approved by the board?

Thanks,

Lori

Lori,

The disqualification plan will have to be approved by the Board at our next available meeting. As long as everyone is following the plan, then there shouldn't be any issues.

You can email it to me and I will make sure it is added to our next meeting to be approved.

Thanks,

Hello David,

I have a question, once DOTD's legal section approves the disqualification letter that was written by our District Administrator can I just email it back to you or do I need to submit it another way? Also, will it have to be presented to the board at one of the monthly meetings? I'm just trying to see how long we are looking at once I get the disqualification letter back from DOTD's legal dept..

Thanks,

Lori
